Re **2025 BCSS Boys Wrestling Provincial Champions - W.J. Mouat Secondary School**

This report is presented to the Board for information.

BACKGROUND:

The W.J. Mouat Hawks once again are Provincial Champions in Boys Wrestling. Competing February 21-22, 2025 the senior boys team earned another Provincial banner by collecting the most points by any team in the event. The tournament's outstanding wrestler was Michaeljeet Grewal, who also won the male 110 kilograms division. Grewal is a repeat winner in the division at the event, and he's coming off a 2024 season that saw him compete all over the world and get nominated for a Sport BC award for high school male athlete of the year. Principal Rob Sloboda and Coach Jim Mitchell will accompany the wrestling team members.
